

Program Description

Nurture organized an evening gardening education class for a group of 22 people who will have plots at the Moraine Township Pantry Garden in Highland Park. Nurture provided three speakers that covered topics on organic gardening, harvesting vegetables and canning.

Overall Results

100% of participants rated the session as Excellent or Very Good

100% of participants rated the information as Easy or Very Easy to apply

Some Comments from Participants

Some comments translated from Spanish

My favorite part of the session was:

“The information for planting”

“That I learned how to preserve vegetables so they do not get wasted”

“...Liked that I learned how to use the vegetables in jars”

“To know how to harvest my food”

To improve the program I would recommend:

“I would meet more often as a group”

In future session I would like to learn more about the following topics:

Some comments translated from Spanish

“I

“How to grow plants and veggies for different seasons”

“I would like to know more about controlling pests/bugs”

“More about plant care”

“How to know when the vegetables are ready for harvest”
