Nurture Cooking Event

The Rice Cooker isn't just for Rice Anymore! Discover, learn and savor the versatility of the Rice Cooker! Stop in for a cooking class focused on simple, tasty recipes built around using your rice cooker. Breakfast in the rice cooker? We'll show you how! Sweet potatoes in the rice cooker? We'll show you how! Each recipe is healthy, time and cost effective and most importantly-delicious! This class will be led by Nurture, a non-profit whose mission is to teach resource limited families how to cook nutritious, wallet friendly meals. The class is \$15/participant and all proceeds from this class will be used to support Nurture and its education programs as it is a 100% volunteer managed 501c3 organization.
